Our Arts Awards...

PACS also Offers the Arts Award across different ages. For those of you aged 9 to 12 there is the Discover and Explore awards and for ages 12 and above and adults 18 to 25 there is the Bronze, Silver and Gold awards. The awards are recognised qualifications at levels 1, 2 to and 3 .

These awards all vary but what they allow you to do is explore the arts , build a portfolio of evidence and take part in a live performance . Areas covered across the different courses include:

- * Taking part in an arts activity anything from Art to Dance, Fashion to Music and Stage crafts :-)
- * Going to arts event s, recording your views, collecting programmes and information and sharing your thoughts with others.
- * Exploring Arts heroes and heroines.
- * Sharing your arts skills by helping to run a workshop, or by giving a demonstration and explaining your skills to others.
- * Planning, managing and performing in a live event, concert or show.

As a club we have secured funding for up to 15 people to take part in any of the arts awards this year and next. So why not get involved?
