ANNUAL REPORT SEPTEMBER 2016

For period September 2015 to September 2016. TABLE OF CONTENTS

Contents

Report Overview		 1
Introduction		 2
Community Consultation		 3
New Partnerships		 4
Club Income and Expenditure		 5
Our Company Assets	Appendix 1	
Our Cash Flow Forecast 2016/17	Appendix 2	

1. Overview

This annual report covers the period September 2015 to September 2016. This period has been a very exciting time for the Club, particular with the establishment of the CIC, following on from an extensive community consultation and feasibility study which also led to us gaining premises of our own from which to operate from. The following items will be explored in more detail throughout this annual review.

ARTS PROVISION

We have extended our arts provision to include children aged between 4 and 8 in a Mini PACS group. It is anticipated that those children who participate in this activity will migrate across to the main group as they reach the age of 8 years giving the group new opportunities and improving its sustainability.

VENUE

This year we have taken on the lease of the former Connexions building in our town centre. Which is now established as the Connexions Community Hub.

ARTS AWARD

Having a permanent base of our own has enabled us to extend our provision of the Arts Award to the wider community. Regular sessions now take place with students on Bronze and Silver Awards. With existing students also wishing to progress on to Gold.

ACTIVITIES

With a venue we have been able to offer much more in the way of arts and craft activities, extra rehearsals and Workshops open to all. These have included Dance, Music, Stage Technical, Drama, Teamwork and Leadership.

PARTNERSHIPS

Forged new and lasting partnerships with community groups, parent groups and businesses in and around Gainsborough.

FINANCIAL REPORTS

Our first set of financial reports as a CIC is included in this report also and includes:

- Income and Expenditure
- Fixed and Current Assets
- Cash flow Forecast (2016/17)

2. An Introduction

Who are the users of PACS and how has PACS been successful across the 10 years it has been established?

PACS has been successful for so many years because we are an all-inclusive group offered to young people between the ages of 8 and 18. Many of those who come to the club have learning or behavioural difficulties (some being on the Autistic spectrum or coping with ADHD). Some are from low-income families; others suffer from anxiety, need to develop their social skills or are from care homes, foster care or single parent families. Despite all of this, when they are involved in club activities they feel a sense of belonging, safe and secure, whilst also being incredibly talented young people who year on year put on an amazing, confident performance in shows, musicals and concerts produced. PACS also perform at community events through the year.

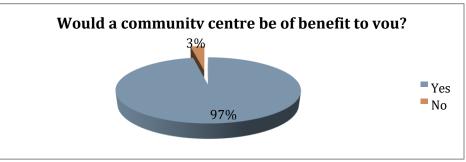

The Performing Arts can be very challenging, locally other theatre groups or musical societies, cannot always include young people with issues as they often find it difficult to deal with them (the skills set is not always there), sometimes it is simply a case of people being unable to afford to be part of other groups (we only charge members £3 per week).We have the skills set, knowledge and understanding as team leaders and/or volunteers to work with members and an amazing team spirit and dynamic.

Year on year the Club has average membership of 20 to 25 young people, so over the 10 years of the group it has benefitted 200 to 300 young people. Some of our long serving members are now adults and have stayed with the club, moved on to college to study Performing Arts before going through a mentoring process with leaders. They are now playing an active part in rehearsals, helping to leading activities in Drama, Dance and Music.

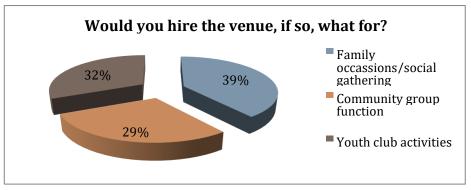

3. Community Consultation

The need for PACS's asset acquisition project has been established through a survey carried out by PACS themselves. A survey questionnaire has been sent out to various groups such as: the general public, PACS volunteers, Independent Town Centre businesses, young people from 8 to 11yrs, 12 to 14yrs and 14 to 17yrs, respectively. The questionnaire was also completed by visitors at the Gainsborough Heritage Centre. A total of 336 responses were received.

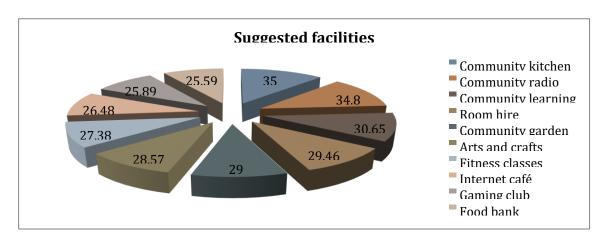

The majority of respondents (97.32%) indicated that a community centre would be of benefit to them.

When asked if they would hire the venue, and for what reason, the following chart illustrates the response received.

When asked which of the following facilities they would expect to use, the following chart shows the number of respondents in each facility.

Stakeholders engagement

PACS also conducted workshops with various stakeholders and the outcome is as follows:

What should a new centre contain?

From discussions with stakeholders and the community it was identified that all of the suggested activities would form part of the community centre.

Consideration will also been given to additional ideas and suggestions listed below being put forward as part of the community consultation which took place around Gainsborough's, schools, voluntary sector organisations, public buildings and town centre businesses:

- Support groups
- Educational programmes
- Quiz nights
- School holiday activities
- A place for all ages
- Over 50s fitness
- Self-defence classes
- Cookery classes
- Sign language lessons
- Space for children's parties and groups
- Workshop activities

Where should it be?

It was the view of the community and stakeholders that such a centre would be best placed in the town centre for the following reasons:

- There are no community centres in town
- It would be accessible to all i.e. close to the bus station, taxi rank, town amenities and shops. There would also be private parking and disabled access, adding to security and safety of the venue also.
- More people will visit and use services available at the former Connexions building as it is at a central point.

4. New Partnerships

So what new partnerships have been born out of PACS and what groups/partnerships have been made by Connexions in the time we 've been there?

Local groups and venues including the Old Nick Theatre, , Scouts Hut, Independent Traders, Town Centre Partnership, Lord Andrew Mawson, Methodist and Parish Churches, Lea Village Hall, Kismet Theatre Company, RSPB, Local Press and Media including: Gainsborough Life, BBC Radio Lincolnshire and Lincs FM.

For Connexions (since May 2016) we have forged partnerships with local colleges, training providers, UK Youth, the Big Music Project, ASDAN, local town and district councillors, Shooting Fish Theatre, St Johns Ambulance, ENABLE and LYA

5. INCOME AND EXPENDITURE – SEPTEMBER 2015 TO SEPTEMBER 2016

Performing Arts Club St Johns: Income and Expenditure - Account Summary - September 2015 to September 2016

Balance B/f	289.03	289.03
