A Note from the Chair

I'd like to extend a warm welcome to our Winter 2021 Concert. A concert that has been produced by our Expressive Arts Students and Volunteers.

After such a difficult eighteen months for the club, we are so pleased to be returning to live performances in the Community and our leaders have done an exceptional job bringing this concert together, which tells the story of the Pandemic from beginning of lockdown to where we are now, with some fantastic music, dance, drama and poetry.

Despite everything that has happened over lockdown, since our return to rehearsals in July the club has gone from strength to strength, with new members and new plans which will take us through to our 15 year anniversary in 2023 and beyond,.

For all our updates, as we move forward, please check out our facebook pages and websites, which we'll make sure we keep up to date for you.

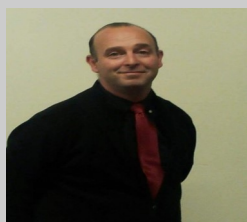

Enjoy the show and see you all again, very soon :-)

Sincerest thanks and kindest regards

Rick Craig
