Pilgrim 400...Lantern Parade 2018

Once again, we are supporting the celebration of the Pilgrim Fathers journey, and eventual sanctuary found across the county including our very own town.

There will be a Lantern Parade around the Town Centre on the 21st of November; Commencing at 6pm from the United Reformed Church. At the event, PACS will be performing a song during the parade.

Our Lantern Making took place on the 17th November at Connexions. A well attended, and great day for all young people and adults alike with willow weaving, shaping and decorating, run by Julie Willoughby. This is a wonderful event supported by schools and groups from Gainsborough and we're proud to offer our continued support.

Discover the Arts Award

From January 2019, in addition to our continued support and delivery of Bronze and Silver Awards, we shall launch the Discover Arts Award for children aged 5+

This is a wonderful award accredited by Trinity College London and a Certificated course for all taking part. For more information contact us at Connexions on 01427 678695 or email mylincs@outlook.com

Modern Country Folk

Plans for 2019 and beyond...

From next year we shall be planning for our 3-year Musicals Extravaganza.

Working across all the years of amazing musicals, starting with the Golden Age of Musicals with such classics as: Guys and Dolls, Calamity Jane and West Side Story, before moving through all the decades of musicals from Lloyd Webber through to the present day.

This is a project we're really excited about and looking forward to working on.
